

KJ

Katelyn Jones

I'm a college junior studying Themed Entertainment, driven by a love for creating environments and visuals that tell stories. I'm eager to join a creative team where I can contribute to visually compelling projects and continue learning from industry professionals.

- [All semesters completed]

Sigma Tau Delta Member

- [2022-Present]

Themed Entertainment Association

- [2022-Present]

AP Scholar Award

- [2022]

Experience

Attraction Hostess

2024-2024 | The Walt Disney Company | Disneyland Resort

As an attraction hostess at Mater's Junkyard Jamboree, I was responsible for operating ride machinery, guest safety and ride operations, as well as guest interaction and problem-solving. It was my responsibility to ensure proper ride safety and conditions and relay information and updates to guests. Working Guest Control for World of Color (One) solidified these skills, as well as crowd control and spelling. Working WoC allowed me to make magic for guests and really problem-solve with them to reach the best solutions for everyone.

Assistant Manager

2019-2022 | Colorado Tack and Supply Co | Thornton, CO

As the assistant manager of a local small business, I was in charge of assisting customers with product information and fit of equipment. Often the only employee in the store, I was responsible for answering phone and emails, running a register/POS, organization of product, and cleaning. Opening/closing procedures, running social media platforms, and management of inventory and new products were responsibilities of mine as well. Also, management of consignment contracts and customer loyalty as well as training new hires.

Data Entry

2023-2024 | Exponent, LLC | Thornton, CO

Responsible for photographing merchandise, researching product history and value, and creating organizational spreadsheets to log product information and characteristics. Additionally, creating and managing eBay store listings.

Additional Education

The Essential Art Department [2024] - Designing for Themed Entertainment & Experiences

School of the Art Institute of Chicago [2021] - Early College Program

Rhode Island School of Design [2021] - Pre-College Program
