AWARDS & MEMBERSHIPS

Whittier College Dean's List

- [All semesters completed]

Sigma Tau Delta Member

- [2022-Present]

Themed Entertainment Association

- [2022-Present]

AP Scholar Award

- [2022]

I'm a college senior studying Themed Entertainment, driven by a love for creating environments and visuals that tell stories. I'm eager to join a creative team where I can contribute to visually compelling projects and continue learning from industry professionals.

EXPERIENCE

Sales Associate Keyholder

2025- Present | Dover Saddlery | Laguna Hills, CA

As a keyholder of a retail chain, my duties include opening/closing procedures, management of inventory and new products, training new hires, and solving problems with customers, including answering questions and assisting with the proper fit of equipment. My skills include handling inbound phone inquiries, running a register/POS, organization of product, and cleaning.

Attraction Hostess

2024-2024 | The Walt Disney Company | Disneyland Resort

As an attraction hostess at Mater's Junkyard Jamboree, I was responsible for guest safety, operating ride machinery, as well as guest interaction and problem-solving. It was my duty to ensure proper ride safety and conditions and relay information and updates to guests. Working Guest Control for World of Color (One) solidified these skills, as well as crowd control and speling. Working WoC allowed me to make magic for guests and problem-solve with them to reach the best solutions for everyone.

Assistant Manager

2019-2022 | Colorado Tack and Supply Co | Thornton, CO

As the assistant manager of a local small business, I was in charge of assisting customers with product information and the fit of equipment. Often the only employee in the store, I was tasked with answering phones and emails, running a register/POS, organizing products, and cleaning. Opening/closing procedures, running social media platforms, and management of inventory and new products were responsibilities of mine as well. Also, management of consignment contracts and customer loyalty as well as training new hires.

ADDITIONAL EDUCATION

The Esstential Art Department [2024]- Designing for Themed Entertainment & Experiences

School of the Art Institute of Chicago [2021]- Early College Program

Rhode Island School of Design [2021]- Pre-College Program
